## **From the Principal's Desk**

**Name & Designation: *Dr Mahamaya Laha Mukherjee***

### **Welcome to the Academic Session 2025–26**

**It is with great pride and joy that I welcome you to Kabikankan Mukundaram Mahavidyalaya. Since our inception in 2007 in the serene, green countryside of Keshabpur, our institution has been on a steadfast journey toward academic excellence.**

**The year 2025 marks a historic turning point for our college. I am delighted to announce that our institution has been accredited with a 'B' Grade by NAAC (as of January 2, 2025) and is formally recognized under Section 12(B) of the UGC Act. These prestigious recognitions are a testament to the unwavering dedication of our faculty, staff, and students. Being under the 12(B) umbrella now empowers us to access central research grants and developmental funds, ensuring a brighter future for our academic community.**

**Our college primarily serves the children of this soil—many of whom are first-generation learners from economically challenged backgrounds. Despite infrastructural limitations, we maintain a commendable standard of education through modern initiatives like Smart Classrooms, an Automated Library, and a strong NSS presence.**

**Our vision is to transform this institution into a beacon of knowledge, fostering not just academic success but also social and environmental consciousness. I invite you to be a part of this thriving center of holistic education.**

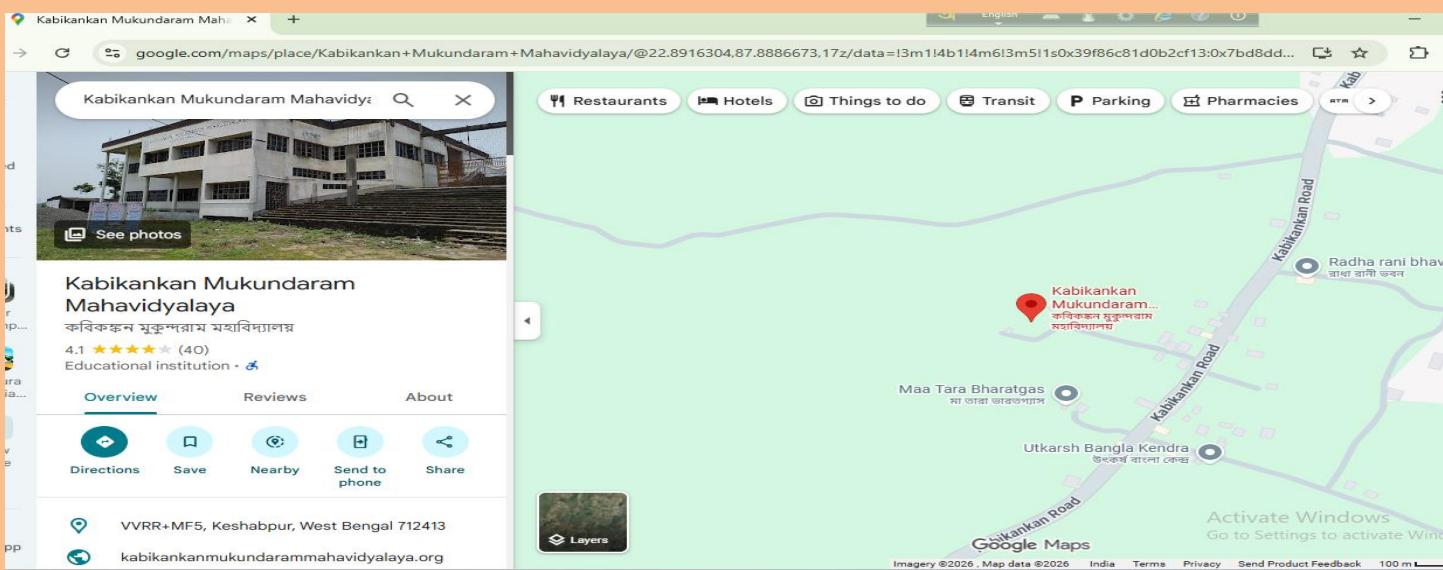

# GEOGRAPHIC LOCATION

Kabikankan Mukundaram Mahavidyalaya is situated at Keshabpur, Hooghly, near Daminya—the birthplace of the poet Kabikankan Mukundaram Chakraborty. Located on the western bank of the River Mundeswari, the college enjoys a unique geographical position.

Local education enthusiasts felt the dire need for a college in this area and established the institution in 2007. The local community has benefited significantly, as their children are now ensured quality education within their own locality. Many meritorious students from economically challenged backgrounds, a majority of whom are first-generation learners, now have access to better educational opportunities and future placements.

Located 16 km from Arambagh, 23 km from Tarakeswar via Kable More, and 47 km from Burdwan, the college is poised to become one of the leading academic institutions in the district.
